

VisTracks & TrackIt[®] Android Cab Guide

**Command
Alkon**

The screenshot shows the TrackIt login interface. At the top, the status bar displays icons for a key, mail, and other system functions, along with 100% battery and 4:51 PM. The TrackIt logo is centered, with the text 'Example ReadyMix' and 'Please log in' below it. A red circle with the number '1' points to the 'EMPLOYEE NUMBER' field, which contains '111'. Below it, the 'VEHICLE NUMBER' field contains '1001'. A red circle with the number '2' points to the numeric keypad. A red circle with the number '3' points to the 'LOGIN' button. The keypad includes a 'Next' button at the bottom right. The bottom of the screen shows standard Android navigation icons.

- 1 Accepts login information.
- 2 Displays when login fields are tapped.
- 3 Logs in to the TrackIt app with login information when tapped.

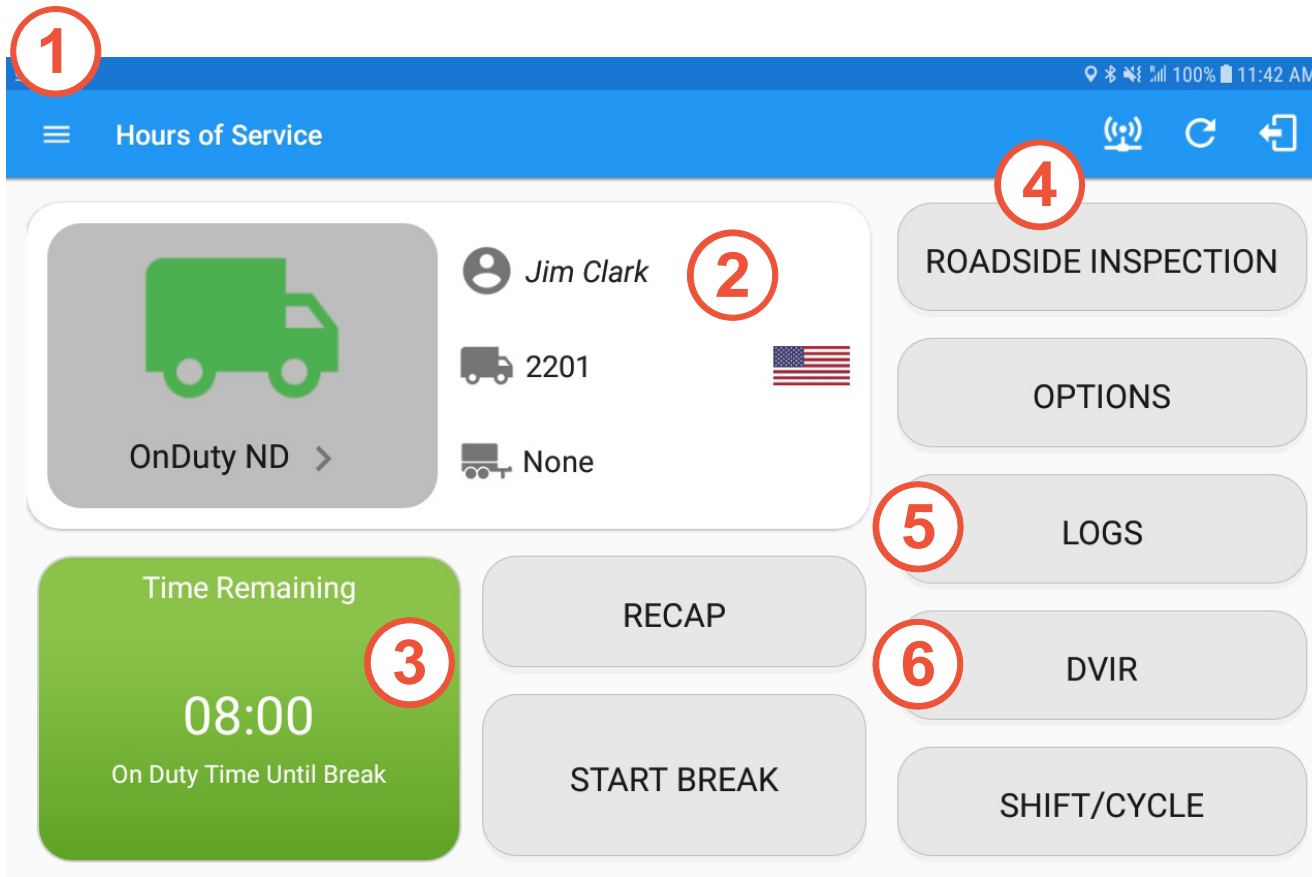

Login to TrackIt

The image shows a mobile application interface for logging in. At the top, there's a status bar with icons for signal, Wi-Fi, and battery (100%), and the time 3:59 PM. Below this is a login form. The first field is labeled 'Username' and contains the text 'asmith@commandalkon.'. A red circle with the number '1' is placed over this field. The second field is labeled 'Password' and is empty. A red circle with the number '2' is placed over this field. Below the password field are two checkboxes: 'Show Password' and 'Save Password'. A dark blue 'Login' button is at the bottom of the form. A red circle with the number '3' is placed over the 'Done' button on the keyboard. The keyboard is a standard QWERTY layout with a 'Done' button in blue.

- 1 Saves the Username.
- 2 Accepts password associated with username.
- 3 Displays when username or password fields are selected.

Login to VisTracks

- 1 Displays the menu.
- 2 Displays the driver, equipment, and status information.
- 3 Indicates the driver's remaining time On Duty.
- 4 Opens the Roadside Inspection window for law enforcement.
- 5 Opens the logs screen.
- 6 Opens the DVIR window.
