**Process Steps:** Step-by-step instructions intended to complete a task associated with the enhancement or correction.

**Information:** General information needed to understand the context, behaviors, and restrictions associated with new enhancements and corrections.

## v14.4.81 (11/10/2021)

### Enhancements

The following items are newly-implemented features intended to increase end-user productivity throughout TrackIt.

---

#### ***New Zello SDK for OS11 Compatability***

***(FEL-4953)***

OS11 devices introduced a new permission requirement for full microphone functionality while applications are in the background.

Zello used a technique documented by Google, which upgrades Zello's "while app is in use" mic permission to "at all times". TrackIt programming was completed to use the new compiled SDK files from Zello with the appropriate fix.
