Process Steps: Step-by-step instructions intended to complete a task associated with the enhancement or correction.

Information: General information needed to understand the context, behaviors, and restrictions associated with new enhancements and corrections.

v3.0.78 (12/28/2021)

Directions not visible in dark mode

(TP1-1561)

Corrected behavior:

Corrected a bug where the directions displaying on the map were not visible in dark mode

Previous behavior:

Directions displaying on the map were not visible in dark mode

Light mode map highlight not easy to read

(TP1-1548)

Corrected behavior:

Fixed a bug where the highlight on the equipment map when in light mode made the text not easy to read during hover over

Previous behavior:

In light mode, highlighting the parts of the equipment map was difficult to read

Weekly Time Card - exception hover over no longer displaying text label

(TP1-1546)

Corrected behavior:

Corrected a bug to display the proper text label for when using the Weekly Time Cards, exceptions (Accident, Absent, Auto Logout, and Late). When hovering over the colored circles, a little text label is prompted displaying the name for the exception being inspected

Previous behavior:

The improper text label was being presented when using the Weekly Time Cards
